## Who am I

I am a computer engineer, full-stack developer and a fresher looking forward to start my career as a software developer with an organization where I can use my skills for organization's growth and my own improvement too.

## Academia

Currently pursuing computer engineer's degree from SKNSITS, Lonavala. Likely to pass in 2021,

## My experience

- Intern
  - Binary-Dots : App developer
- Personal projects
  - Corona counter : src - my github
  - I3wm setup : src - my github

## Hobbies

- Internet surfing
- Linux tweaks
- Modern physics
- SciFi movies
