dhirajraje113@gmail.com

katraj, pune

dhiraj.homonovus.in

Skills

- AWS
- Python[Django, FastAPI]
- React
- NodeJS
- Flutter

Strengths

- Initiator
 - I always try to break an ice during general team meetings. also take initiative to work on new techs.
- Planner
 - While working with startup team i learnt to manage and plan projects on my own.
- Great team player
 - I learnt that discussing the challenges with team can help you tackle them and general tech talk with other helps grow your knowledge.

About me

A passionate full-stack developer, and AWS cloud engineer. I have been working as full-stack developer. I have 1.5 years of experience working as an AWS cloud engineer and Python backend engineer.
